The Yale campus is located in the heart of New Haven. Like all who live in urban centers, you can take some precautions to keep safe:

- Using alcohol will make you less aware of your surroundings
- Choose a well-lit path when walking or biking
- Become familiar with the emergency blue phones along your route
- Use the Yale shuttle
- Call for a door-to-door safe ride after dark: 203-432-6330
- Lock your doors – never prop them open
- Call for help if you ever feel concerned for your safety: use Blue Phones or Yale Police Department 203-432-4400
- Get a U-lock for your bike

Campus safety is a major responsibility of the University's Police Department and Security Department. The **Yale Police Department** works closely with the campus community and local, state, and federal law enforcement to keep the campus safe.
